# Please Join Us To Support After Prom & After Graduation

May 20, 2012

Dear BVNW Families:

The Blue Valley NW Community continues our commitment to sponsor two annual drug and alcohol-free events for our students... **After-Prom & After-Graduation!** Although these two events are primarily held for upperclassmen, we ask **all** Husky families to show their support for drug- and alcohol-free events by providing a tax-deductible donation to our **After-Prom Graduation Committee.**

The BVNW Parent Booster Club covers approximately 50% of these expenses, but the remaining funds come via donations from BVNW families and local businesses.

Every family is asked to make a yearly donation, ***especially Junior & Senior parents.*** Parents of upperclassmen are also needed to volunteer for these events.

Please submit form &/or donation with your BVNW Registration materials or to the BVNW office.

Checks payable to: BVNW APG (After Prom-Graduation Committee)  
Suggested Donation Levels:

- Senior - \$60
- Sophomore - \$25
- Junior - \$40
- Freshman - \$25
