Supporting academics, arts, activities and athletics

How will you help?

Husky Parents: Together we can make BVNW the best it can be. Our goal is to support the extracurricular activities of our school and our students, faculty, staff and parents. We provide financial support to the various academics, arts, activities and athletic programs, drug and alcohol free activities for students, parent education programs, hospitality, concessions, scholarships and much more. To accomplish these goals, we need your help in two ways. First, your membership in the BVNW Parent Booster Club provides a financial base of operation. Second, your volunteer efforts ensure the success of our programs. We hope you'll want to be a part of it all! Thanks for your support.
