

Calling on BVNW Community!!

The Parent Booster Club is introducing an opportunity for families to support students, teachers and coaches. As you know, a major fund raising event for our school is selling advertising in the Activity Program. These funds go directly to support our activities and school.

Parents, grandparents, family and friends can now purchase space to send a message to BVNW students, teachers or coaches for one low price of \$30. Ads will appear in the Fall, Winter and Spring editions of the Activity Program. See some of the samples below. All ads are 2" by 1".

All you need to do is let us know what you want to say by **August 20, 2010** and we will design an ad for you. Remember, our friends and families don't care what we know until they know that we care! So join us and let your student, teacher or coach know that you care**Act now, space is limited!**
